**TECHNICAL SPECIFICATIONS FOR:**  
Stratum Purge and Trap Concentrator with AQUATek 100 Auto Sampler

**ITEM & DESCRIPTION\***

**BIDDER'S DEVIATIONS**

The following items must be able to interface with an existing Varian Saturn GC/MS for the analysis of VOC by EPA Method 524.2

**Stratum Purge and Trap Concentrator:**

1. The concentrator must come standard with Windows® based software that controls the concentrator and compatible autosamplers.
2. The concentrator must come with a web-enabled status alert system that will alert the user by e-mail of the status of the instrument.
3. The concentrator must have a "U"-Chamber providing a more efficient desorption of the trap which improves chromatography and reduces carryover contamination.
4. The concentrator must have a temperature programmable moisture condensate trap.
5. The concentrator must utilize accelerated purge and trap technology capable of delivering a cycle time of 15 minutes or less with an 11 minute purge time \*
6. The concentrator must utilize a Mass Flow Controller (MFC) for electronic flow control.
7. The concentrator must have an automated leak check capability.
8. The concentrator must have electronic pressure monitoring that alerts the user to a blockage or over pressure situation and records this information in a sample log file.
9. The concentrator must have a method wizard option that generates an optimized method based on answers to a series of questions on the method constraints and GC configuration.
10. The concentrator must be controllable through an RS-232 interface.
11. The concentrator must have a photodiode based foam sensor that is chemically isolated from the sample vapors.
12. The concentrator must have the ability to automatically add anti-foam solution to the sample when foam is detected.
13. The concentrator must have the ability to control the trap temperature during sample purge mode and dry-purge mode to improve moisture removal.
14. The concentrator must have Siltek® tubing and Siltek-treated sample fittings throughout the sample pathway.
15. The concentrator must use large bore (1/8") Teflon® tubing throughout the sample drain system to eliminate clogging.
16. The analytical traps must be able to use USEPA specified 12" in total length traps.

**TECHNICAL SPECIFICATIONS FOR:**  
Stratum Purge and Trap Concentrator with AQUATek 100 Auto Sampler

**ITEM & DESCRIPTION**

**BIDDER'S DEVIATIONS**

17. The concentrator must come with an add-on on-trap injection port for easy troubleshooting.
18. The concentrator must have the ability to have gas flow during the Standby mode to keep the sample pathway swept with inert gas.
19. There must be temperature uniformity and control along the entire length of the trap.
20. The analytical trap must heat up at a rate no less than 850 degrees Celsius per minute.
21. The analytical trap must cool down in less than 90 seconds.
22. Purge & Trap Concentrator must be fully compatible with an AQUATek 70 Autosampler.

**AQUATek 70 Autosampler:**

1. Autosampler must be capable of backflushing and rinsing the entire sample pathway, including the sample needle, transfer line, sample loop, and glassware with 90°C blank water.
2. The Autosampler carousel must be able to accommodate 100 standard 40mL VOA vials.
3. The Autosampler sample path must contain large bore PEEK® tubing with orifices greater than needle introduction port to eliminate particulate clogging.
4. The Autosampler must contain a PEEK® sample path providing superior inertness and corrosion resistance.
5. Autosampler must be controlled from a PC using an MS Windows based software program.
6. Autosampler must work in conjunction with either a Velocity XPT or Stratum PTC Teledyne Tekmar Purge and Trap Concentrator.
7. Autosampler ships with chromatogram to verify system cleanliness and assure sample delivery integrity.
8. Autosampler must be able to generate a system blank without using a vial position.
9. Sample integrity can be preserved by allowing samples to be cooled to 10°C with a built in chiller tray and optional re-circulating cooling bath.
10. Autosampler must have two automatic matrix spiking systems capable of adding Internal Standard and Surrogate to any user-specified sample position.
11. The automatic matrix spiking system must be able to provide a user specified volume of 1, 2, 5, 10, or 20uL aliquots and generate zero waste in

- the process.
12. Autosampler must ship with a blanking water reservoir standard in the base package.
  13. Autosampler must be manufactured by an ISO 9001:2000 certified facility.
  14. Autosampler must have built in diagnostic features including a leak check to assure proper system performance.
  15. Autosampler must include a one year manufacturer's warranty including onsite service if required.
  16. Autosampler must not require routine arm calibration under normal working conditions.
  17. Autosampler must have easy access to sample plumbing path that does not require tools.
  18. Autosampler must have the option for a pH module to automatically record sample pH into the active schedule and sample history logs.
  19. Autosampler software must support use of a bar code reader for easy sample entry.

The above items must interface completely with an existing Varian Saturn 2000 GC/MS system.

The above items must come with all necessary tubing, fittings, cables, software, etc. to connect and be fully functional with a Varian Saturn 2000 GC/MS system.

The above items must include instruction manuals.

All bidders must clearly detail any deviations from the above specifications. Any bid submitted without indicating deviations or ability to meet the above specifications WILL NOT BE CONSIDERED.

**CITY OF ST LOUIS, MISSOURI**  
**INSTRUCTION TO BIDDERS (for request for quotations - RFQs)**

VENDORS SHOULD CAREFULLY READ THE FOLLOWING INSTRUCTIONS AND TERMS AND CONDITIONS, BEFORE SUBMITTING QUOTATION. **CAUTION: THIS IS NOT AN ORDER**

- Quotations will only be accepted on this form which must be returned in a **sealed envelope**. *The upper left corner of the envelope must include the following information: Vendor Name, Quotation Number and the Due By Date.* This information is also required on any mail delivered next day or overnight.
- Quotations should be typewritten or in ink. Altered or erased unit price(s) must be initialed. One copy of Quotation Sheet must be submitted, please retain a copy for your files.
- The Supply Commissioner reserves the right to reject any or all bids.
- The Supply Commissioner reserves the right to make awards on an item basis or on a total basis.
- Bidders must quote Unit Price(s) and Extension on each item. When an error appears on an extension, the Unit Price(s) will govern.
- When Quotation Sheet requests item(s) by brand name and your quote is for an alternate brand – show brand name(s) with model number(s) and attach full specifications.
- When Quotation Sheet has only a general description(s) of item(s) required – show brand name with model number(s) and attach full specifications.
- Suppliers shall not offer more than one bid on each item. Two or more quotations on the same item may cause a rejection of the bid. Suppliers must determine which one of their many styles or types fully meet the specification.
- Freight or delivery charges must be included in quote, or shown separately on quote, so bid can be evaluated.
- **Bids must arrive no later than NOON** on the date stated or will be rejected. Faxed or E-mailed bids are not accepted unless specifically requested.
- Bids will be publicly opened on the date specified beginning at NOON.
- Prices quoted will be considered firm.
- Bids having an acceptance limit of less than 30 days after opening date may be rejected.
- Time of proposed delivery must be stated in definite terms.
- Failure of Bidder to understand the item(s) requested or any part of the specifications will not be a valid reason for bidding on the wrong item(s). Any questions regarding description of item(s) requested should be cleared with the Buyer listed in the bid document.
- **Samples** when requested must be delivered before actual time of bid opening with each sample plainly tagged showing the name of Bidder, Quotation Number, Brand Name and lot number or quality. Submission of samples does not relieve bidder from meeting the specifications as outlined in the Bid Documents unless the bidder specifically states they are bidding on an alternate.
- All samples are to be submitted to the address listed below unless otherwise stated in Bid Documents.
- Deliveries must be accompanied by a packing slip or invoice, listing the Department, Quotation Number, and the exact quantities of each item included in the shipment.
- ONLY U.S.P., N.F., OR N.N.D. DRUGS ARE ACCEPTABLE. ALL DRUGS MUST COME IN MANUFACTURER'S ORIGINAL PACKAGES, PROPERLY SEALED.
- In the event the successful bidder fails to make delivery of any item or items that meet the conditions and requirements as outlined in this proposal within 7 days of time stated by bidder on face of this quotation sheet, the City reserves the right to purchase said item or items on the "OPEN MARKET" and charge any costs above the BID PRICE to the bidder.
- The laws of the State of Missouri provide that the City of St. Louis pay no State Sales or Use Tax or Federal Excise Taxes and these taxes should be excluded from your bid price. Federal Excise Tax Exemption Certificates will be furnished to successful bidder.
- Suppliers shall save harmless the City of St. Louis from the payment of any and all claims or demands arising out of any infringement, alleged infringement, or use of any patent or patented device, article, system, arrangement, material or process used by him in the execution of this contract.
- Supply Division hours are Monday through Friday – 8:00 A.M. to 5:00 P.M. Main Number: 314-622-4580.

# **ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT**

The City of St. Louis has enacted an ordinance relating to the purchase of domestic products by City government, with penalty provisions. The ordinance amends Section 5.58.010 Revised Code of the City of St. Louis, 1986, as amended by adding thereto new subsections dealing with the requirement that the Supply Commissioner or his designee give preference to goods or commodities manufactured in the United States of America, stating exceptions to said policy. Sections one through six are reprinted below.

**Section One.** Section 5.58.010 Revised Code of the City of St. Louis is hereby amended by adding the following language: Each solicitation to bid and the method of describing the items to be bid upon of any goods or commodities sought to be purchased by the Office of Supply Commissioner, and any contract entered into by and on behalf of the City of St. Louis and executed by the Mayor and/or the Comptroller of the City of St. Louis wherein the construction, alteration, repair or maintenance of any public works is the subject of the contract so executed, shall contain a provision that the goods or commodities furnished or used in the furtherance of said project by any contractor or subcontractor, manufacturer or supplier as the case may be, shall be manufactured, assembled or produced in the United States, and said requirement as defined above shall be stated in said bid.

**Section Two.** The provision of Section One of this Ordinance shall not apply in the following instances:

- (i) Where the item purchased as the contract entered into for repairs or renovation is less than One Thousand (\$1,000.00) Dollars.
- (ii) Where no line of a particular good or product is manufactured, assembled or produced in the United States.
- (iii) Where the acquisition of United States manufactured or produced goods would increase the cost by more than (10%) percent.

**Section Three.** The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contracted by the Commissioner or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

**Section Four.** No public agency may authorize, provide for, or make any payment to any vendor or contractor upon any contract in violation of section 2 of this act. Prior to the awarding of the bid and before any public agency authorizes, provides, or makes payment to any vendor or contractor upon any contract to which section 2 or 6 of this act applies, the vendor or contractor shall provide proof of compliance with section 2, and, if applicable, section 6 of this act. Any vendor or contractor who knowingly misrepresents any material fact to the public agency concerning the origin of any manufactured goods or commodities shall be guilty of a Class A misdemeanor.

**Section Five.** Sections 1 to 6 of this act shall apply only to contracts and subcontracts entered into after the effective date of this act, and shall not limit the use or supply of manufactured goods or commodities purchased or leased prior to the effective date of this act.

**Section Six.** Nothing in sections 1 or 6 of this act is intended to contravene any existing treaty, law, agreement, or regulation of the United States. All contracts under section 1 or 6 of this act shall be entered into in accordance with existing treaty, law, agreement, or regulation of the United States including all treaties entered into between foreign countries and the United States regarding export-import restrictions and international trade and shall not be in violation of sections 1 to 6 of this act to the extent of such accordance.

## **Interpretations and Guidelines**

**Section One:** "Shall be manufactured" is interpreted to mean to make or process a raw material into a finished product or to turn-out in a mechanical manner. "Assembled" is interpreted to mean to fit or to join together the parts, gather, or to congregate in a manufacturing environment. "Produced" is interpreted to mean to create by manual or physical effort, to make or yield to customary product or products.

**Section Two (I)** This is interpreted to mean less than one thousand dollars in aggregate (total purchases).

(III) When applying this subsection, multiply the cost of the foreign product by ten percent and compare the cost to the American product. If the American product cost is less than the sum of the cost of the foreign product plus ten percent, the award will be made to the vendor bidding the American product. The price paid by the City of St. Louis will be the actual price bid by the winning bidder.

**Section Three:** "Could not supply sufficient quantities" is interpreted to mean in order to meet the using agency's delivery schedule and in quantity specified.

**Section Four:** The vendor's authorized representative must complete a self-certification form, as required by the existing procedures previously indicated. These certification forms will be used to determine whether the manufacturer or producers could, or could not supply sufficient quantities, or the cost of the products would increase the contract by more than ten percent.

Prior to the City awarding the bid, the vendor shall provide certification that the product being bid is manufactured, assembled or produced in the United States or there is an existing treaty, law or regulation whereby the product bid shall be treated the same as product manufactured, assembled or produced in the United States. The procuring agency shall accept the self certification in order to apply the percentage differential that is applicable under this law. Failure to provide certification shall cause the city to presume that such product is not American made and preference shall not be considered for that product.

# CERTIFICATION FORM

## ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

### (BUY AMERICAN)

Bidders are advised of legislation enacted by the City of St. Louis which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured, assembled or produced in the United States, unless obtaining American made products would increase the cost of this contract by more than ten percent.

Section Four requires the vendor or contractor to certify his compliance with this legislation and if applicable, Section Six, if preference is claimed.

This legislation does not apply if the total bid is less than one thousand dollars (\$1,000.00).

Bids received will be evaluated on the basis of this legislation. Certificates of compliance must be completed and returned to be considered for preference. Failure to provide certification shall cause the City to presume that such product is not American made.

**CITY OF ST. LOUIS/SUPPLY DIVISION  
MINORITY/WOMEN BUSINESS ENTERPRISES FORM  
(M/WBE FORM)**

**A. Mayor's Executive Order #28, Section Six - Supply Contracts**

1. The goal of the City of St. Louis is that 25% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Minority Business Enterprises (MBEs) and that 5% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Women's Business Enterprises (WBEs).
2. All contracts let by the Supply Division for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds \$500, shall be subject to this goal.
3. The methods by which the Supply Commissioner shall pursue this goal shall include but not be limited to the following:
  - a. The Supply Commissioner shall solicit bids from minority business enterprises and women's business enterprises certified to supply the required materials, equipment, supplies or services;
  - b. St. Louis Airport Authority (SLAA) shall provide the Supply Commissioner with a list of minority business enterprises and women's business enterprises qualified to provide each of those commodities that the Supply Commissioner indicates are required by the City;
  - c. The Supply Commissioner shall notify SLAA prior to solicitation of bids whenever no such qualified businesses are available;
  - d. SLAA shall attempt to identify such qualified businesses, and if successful, shall notify the Supply Commissioner of their availability; and
  - e. The Supply Commissioner shall provide such minority business enterprises and women's business enterprises every practical opportunity to submit bids.
4. Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
5. Participation of MBE and WBE firms located outside the St. Louis Metropolitan Statistical Area (SMSA) shall not count toward the goals established in this order.

**B. SUPPLY DIVISION POLICY**

It is the policy of the Supply Division that all bids/contracts awarded adhere to the Mayor's Executive Order #28. All vendors are encouraged to comply with this policy and all other provisions of Executive Order #28. A copy of Executive Order #28 is available upon request. Each Vendor/Contractor (bidder) must complete, sign and return this M/WBE Form. Failure to complete, sign and return the M/WBE Form will result in the bid being declared non responsive and your bid may be eliminated.

**C. OBLIGATION**

The bidder agrees to make a good faith effort to ensure that M/WBE businesses have an opportunity to participate in the performance of contracts or subcontracts financed in whole or in part with City funds. The bidder will take all necessary and reasonable steps to ensure that said businesses have an opportunity to compete for and perform under this bid/contract. The bidder shall not discriminate on the basis of race, color, national origin or sex in the award and performance of bids/contracts. The Directory of Disadvantaged, Minority and Women Owned Business Enterprises certified by the City of St. Louis, can be viewed at [www.mwdbe.org](http://www.mwdbe.org).
